

→ Cantilever lift for trucks, trailers and semi-trailers

## DH-LCZ / LMZ • 500 - 1500 kg

❶

The cantilever lifts DH-LC.07, DH-LM.10 and DH-LM.15 are available with **half width** or **partial width** platform ❶, or with **foldable platforms** ❷.

These platforms keep one of the rear doors of the vehicle body free, offering quick and unobstructed access to the cargo space at all times.

❶

### Lift capacity

CAP	CG	LM
500 kg	600 mm	3 kNm
750 kg	750 mm	5.6 kNm
1000 kg	750 mm	7.5 kNm
1500 kg	750 mm	11.25 kNm

# Occasional use, quick access to the vehicle cargo space

## Fitting dimensions

---

The lifts with partial width platforms or foldable platforms are custom made in function of the specific dimensions of the vehicle and body.

Contact the study department of **DHOLLANDIA** for detailed information.
